The Marriage

Course

How to maintain a
healthy marriage that
lasts a lifetime

The Marriage Course

Produced by Holy Trinity Church, Brompton

Building a Healthy Marriage that Lasts
a Lifetime

What is the Marriage Course? The facilitators explain.

'The course, while based on Christian principles, is very helpful

for any couple with or without a Christian faith or church background.'
(Phil and Julie Gower)

'The marriage course gives any couple practical tools to maintain a strong and healthy marriage. Over seven evenings couples have the opportunity to spend quality time investing in their relationship.'

(Pete and Mandy Towell)

'Your privacy as a couple is completely respected.'

There is no group discussion and no requirement to disclose anything about your relationship to anyone else.'

(Michael and Sue Piper)

What's involved?

Each evening begins with a light meal. Then there is a video talk followed by an opportunity to discuss the topic privately as a couple. You will find the course welcoming, relaxed, unthreatening, and hopefully fun.

Who is it for?

The Marriage Course is designed for any couple who want to build and maintain a strong and lasting relationship, including:

- those who want to make the most of their marriage, whether young or old
- those at a challenging stage in their marriage - e.g. the birth of a child, a career change, teenagers at home, the 'empty nest'
- those struggling with issues in their marriage

Here are some comments from couples from **Portsmouth** who attended previous courses:

"The marriage course has something for couples at all stages of their marriage."

"It gave me a greater understanding and appreciation of my wife, helping to reveal and discuss innermost thoughts and feelings with each other."

"The course made a real difference - wish we had done it years ago. We have been married for 42 years."
